MEN

"We make men without chests and expect from them virtue and enterprise." - C.S. Lewis
Being a man according to God's Word is hard. Being a boy who shaves is pretty easy. But being a real man requires self-sacrifice. Your life is laid down for the good of your wife, for the good of your children.

WOMEN

There is a biblical blueprint for all women going all the way back to Genesis. But God also has a personal calling for each individual woman, whether you are a young 18-year-old, a stay-at-home mom, a traveling executive, an empty nester, a single parent in the inner city, or a grandma.

It can paralyze our spirit, damage our relationships, and hinder our faith. When we're struck with fear, where do we turn? Can God really be trusted?

Charm is deceitful and beauty is vain,
But a woman who fears the LORD, she shall be praised.

PROVERBS 31:20-21 (NIV)

**So they are no longer two, but one flesh.
Therefore what God has joined together,
let no one separate.**

SESSION 1 (August 9 - September 27)

ART OF NEIGHBORING PHILIP SLUSHER / MISSION CENTER

Once upon a time, people knew their neighbors. They talked to them, had cook-outs with them, and went to church with them. In our time of unprecedented mobility and increasing isolationism, it's hard to make lasting connections with those who live right outside our front door. We have hundreds of "friends" through online social networking, but we often don't even know the full name of the person who lives next door.

SYSTEMATIC THEOLOGY: THE DOCTRINE OF GOD (Continues through Session 2) BUDDY GUNDY / WC111

This course is a continuation of the study that we started last spring on the doctrine of God. Having discussed the existence of God, the knowability of God, and the attributes of God, we are now ready to explore the great truths of the Holy Trinity, creation, providence, and miracles. Come join us as we continue to grow in our understanding of the nature of God!

EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT HEAVEN

HOW'S YOUR SOUL?

In the rush of living moment to moment, many of us find ourselves simply surviving, struggling daily with frustration, restlessness, boredom, and ever-fleeting joy. But if we would pause, we'd find that the things that matter most in life, what we are searching for in our busyness—stability, peace, hope, love—are rooted in the health your soul.
